The Lady:

Natasha is a very good looking exotic brunette , tall,slim and a good firm body. I have also visited Kate on one occasion and again was not dissapointed with her either. The girl's at the retreat seem to be very different in looks and personalities but all very attractive and know how to make you welcome and comfortable.

The Story:

I think I have made the most of my time in london and experemented sexually with the ladies here indulging fantasies that I have harboured for quite some time!!!

I won't go into too many details but sometimes you dont feel able to ask your partner to use vibrators and toys on you and these girl's are not embarassed to ask you what you would like to do . They are profesional without being too formal and seem to enjoy what they do.

Anyway a big thank you to all at londonretreat , may you prosper and carry on giving pleasure and diversion from the stressed life that we punters live for many more years to come. I will return if I have to work in london in the future.
