The Premises:

Karens in Broom Lane has been described many times before. Businesslike receptionist, took money and led me upstairs to the room. Ten to 15 minute wait a bit of a downer, particularly as I wasn't warned there would be a delay, but fully made for when Jenny entered the room.

The Lady:

Jenny is in her late thirties I'd guess but she's got a terrific body - great tits, shaved pussy, shapely legs ... a slight tummy but she's probably had kids so that's to be expected. Maybe it's even a bit of a turn on to us older punters?

The Story:

Gave the massage a miss and straight down to business. Jenny loves having those boobs kissed and licked and she has wonderfully responsive little nipples that just cry out for attention. Plenty of attention to her pussy and bum as she stroked me to attention then a little doggie before she climbed on top and expertly made me cum. Just loved it and will certainly see her again.
