The Premises:

Top Floor apartment close to Paddington. Very safe even at 11:00 pm, parking may be a problem - very clean - bathroom very clean with fresh towels. Bedroom lit with candles - so a little dark at times.

The Lady:

My kind of woman and exactly how her pictures look. She has a Brazilian parent - but is actually Nigerian. Stunning body, great nipples - very very slim.

The Story:

Answered the door in white baby doll outfit - offered juice. Not a big kisser which took the edge off the punt - and not as lively as I was led to believe (she has an ad which promises everything) - maybe it was a little late for her. Performed well though - and I got what I came for - but didn't meet my expectations which were high! Will probably try her again but during the day next time.
