The Premises:

Nice apartment in a quiet part of Maidenhead. Very clean, very stylish - and designed for only one purpose!

The Lady:

Exactly as the website describes - lady in her late 30s with an all over tan. Big breasts, soft and cuddly all round - always dresses to please. A very experienced WG who caters for all tastes

The Story:

It was a very hot day - so offered a refreshing glass of wine on arrival - cuddles up to you on the settee and then she starts to get you ready french kissing and caressing. She knows all the buttons to press. Off to the bedroom for a massage (which she is very good at) and then when you are ready she gives great BBBJ (very wet) then onto a variety of positions followed by blowing all over her chest while she frigged herself. Then relaxed and chatted - all in all a great hour spent. I imagine that you could act out just about any fantasy you wanted with Sacha - and she has all the equipment and expertise to make you happy.
