The Premises:

Clean and tidy house not far from main Syston town centre. Easy to get to and park. Very safe atmosphere and no nousey neighbours.

The Lady:

Sara is petite, long dark hair with a 34B - 24 - 34 figure and just over 5foot tall. One previous guy remarked on her freckles. There is something very cute about this and it was certainly a beautiful sight when she stripped off for me.

The Story:

Sara asked if I wished to have a relaxing massage and after a welcoming cold drink i readily accepted. She offered talc or lotion...talc for me every time. She was skilled and adept at what she did and at times I felt as though I was drifting off. When she asked me to turn over she stripped down to her stockings and tiny knickers that i had requested. The massage suddenly became very sensuous and the feel of my cock between her lovely boobs was heaven sent. She is a gentle and very light kisser but when it comes to Oral technique there are few who can match her for staying power, and attention to detail and in many ways I had to maximise enormous self control. She then followed this with a very erotic vibrator show where she reached a crescendo of orgasms before hitting the big one. She rode me for a while, but as I am rather wide (nice to be told this again) and she is petite full sex was a little difficult for her and I was conscious not to hurt her. Give Sara her dues, she tried and rode me well. I volunteered to return to her oral techniques and with some hand stimulation to match eventually came in Sara's succulent and inviting mouth. In fact when I said I was near to cumming she hungrily ate my cock.

Sara is exactly like her web site pics and is a joy to be with.
