well reported place which now advertises in local papers under name of blue ice.

The Lady:

i was taken up in lift and shown to end room and four girls came in one at a time and introduced themselves to me. i was rather perturbed when two of the girls started reeling off extra prices for this service and that service. on my last visit i had seen leah and she immediately recognised me and broke out into a very cheeky smile. After seeing her smile i had to pick her.

The Story:

leah is mid-thirties, blond, slim and very friendly. she may not have the looks of kylie or the body of j-lo but that cheeky smily face of hers works wonders. she kisses, gave a very good firm massage, likes having her boobs and pussy playing with and treats you like a girlfriend experience. very good-- i shall defo. return.
