COuldn't swing a cat - at least it was a double bed!

The Lady:

I never write more than 1 report on ladies. I make an exception for Victoria because:

- 1) She has changed agency.
- 2) THe good news is that her rates have come down a bit since Notorious is cheaper than Valentine
- 3) She has changed considerably (from aphysical perspective).

Since I first met Victoria her boobs have filled considerably. This is a natural increase (or technology has moved on considerably!)

She remains pretty - shy very red haired and full of freckles - milky skin. Great smile - lovely shy manner - untill you get her undressed that is!

The Story:

Victoria is a natural in the bedroom. I won't bore you with details other than to say she does most things people may look for.

THe big surprise with Victoria this time is how mature her musical taste is (considering her young age).

I fully recommend Victoria to anyone .
