The Premises:

Her apartment is clean and stylish; the location is very convenient close to High Street in Kensington.

The Lady:

Age: 22-25 Hair colour: Brunette Body Type: Slim Height: 5'8" Ethnicity: Caucasian/White. Christine is a beautiful girl, she looks little slender to me in reality then her pictures show, her figure is very nice, she is slender but has the curves in the right places. Her personality is pleasant; you can actually have a nice conversation with her.

The Story:

I booked Christine for one hour, I found her through an agency Love Roses, and they suggested her on the phone. So I took their advice and I was not disappointed with Christine if not to say more I was very pleasantly surprised. Christina has very unique qualities about her she is very real and down to earth it is extremely easy to be around her. She is the dynamite in bed; she blows your brains out with her B J. She just keeps you excited and going all the way. She is a hard working girl and a giver!!!! Thanks Christine.
