The Premises:

I really like WFB. There is a discreet entrance at the Bury parlour and you can come and go without any trouble.

The Lady:

Well documented in many reports.

The Story:

Patrice provides a great service. Her OWO is brilliant as is the sex. She really pulls out all the stops to make sure you have a nice time. The only problem is, if you want to see her there is usually quite a queue and she gets pretty booked up. She's always running late, so you have to be prepared to wait, but it's worth it.
