The Premises:

Very discreet and clean spacious flat close to centre of Victoria, modern decoration, good comfortable bed, clean shower/bath, clean & fluffy towels, and an entrance that does not leave you exposed, perfection & great ambience, could hardly be better.

The Lady:

Jane (Yana) is about 5' 8", slim, blonde, 23, gorgeous blue eyes, small lovely breasts, long legs, tiny bottom, slim flat stomach, very easy to get on with, nice personality, good fun girl, English could be better but not a problem.

The Story:

I had previously visited Jane as Yana when she was based in Royal Oak about 10 months ago & had a wonderful hour with her that I thought I must have imagined. My second visit proved to me that it was actually for real. Jane is extremely welcoming & immediately puts you at your ease. We sipped wine for a while on her sofa & then she suddenly revealed to me her lovely lower body - wow! We swiftly departed for the bedroom for the time of my life. Her French kissing is super. This is really GFE & better - I think I even made her come which I personally find very moral boosting. Jane is also no clock watcher which also makes you feel as if she really wants you with her. A memorable experience that I can recommend to anyone who enjoys GFE at its best.
