The Lady:

site says age 23, 5'6" and 36HH naturals....certainly wouldn't argue with the latter!

The Story:

after 4 very good punts we were a little worried about our run coming to an end with a relatively high profile girl such as Courtney but it proved to be a major success instead (the good run ended the next night with Tara from the same agency). Courtney was on time, well dressed and a really easy lady to talk to. A glass of wine later and we moved to the bedroom for a more detailed examination of those 36HHs which are definitely an experience and which the wife thoroughly enjoyed playing with. Courtney does a marvellous and enthusiastic OWO which she would carry on with forever I think, given the chance, but the wife wanted her turn as well and Courtney proved equally adept down there as well. A good kisser and someone who seems to really enjoy having sex without all the false 'ooh ahh's you sometimes get. No 'A' tho..damn! Courtney gave us an extremely relaxed, soft, enjoyable 90 minutes of great sex and I (we) would thoroughly recommend her...one of our most successful meetings.
