### The Premises:

A small rear extension behind a row of shops. It is fairly cramped and used by Nadia just for work. The important things are there, which is a clean, large comfortably firm bed, and a good shower with shower gel and clean towels available. Because of the need for privacy curtains are kept drawn which makes it a bit gloomy, but its position at the rear of the premises makes it very discreet. It is best approached from the St. Annes end of Feeder Road, turning off Wick Road to get into the road where Nadia works. She gives detailed instructions when making a booking. She normally works from late morning until about 10 p.m depending on bookings, but is very flexible.

### The Lady:

If you like tall slender foxy ladies, then Nadia is for you. She is 5'8" tall, with brown eyes, long brown hair, has recently celebrated her 27th birthday. Underwear size is 34B, 8/10. Her Sicilian forebears and Welsh upbringing help account for her very passionate nature. She was wearing a very sexy maroon underwear ensemble on this occasion.

### The Story:

Having, for some years now found PunterNet Field reports an excellent guide in pointing me towards some incredibly fulfilling punts, and having found Nadia by this means, I was horrified to read the recent report submitted by Bristol Punter88. At first I thought that there must be another Nadia, but on checking found that it was indeed referring to this Nadia. It was, to say the least, incredibly misleading, and included some inferences that were entirely mistaken. Because of this I made a copy, and offered to bring it over to her to see what she thought about it. Inevitably, she was not impressed. It had not been my intention to stop, but once there I could not resist the temptation to stop a while, and for the seventh time in the last six months have sex with this very passionate young woman. Fortunately I had enough cash on me. The ensuing hour confirmed the wisdom of my decision. Nadia is one of those working girls who commits herself totally to passionate sex and a shared experience, and is very intense with her lovemaking. My change of plan meant that I needed a shower before we set about the main agenda. Clothing was rapidly discarded, and as has become normal for the two of us, we were soon naked and intertwined, writhing about on the bed kissing passionately. After quite a long bout, I diverted my attention to her long, suckable and sensitive nipples. Inevitably in my case, my head found its way between her thighs to get to work on her neatly shaven, and sweet tasting pussy. Nadia is always very responsive, getting very moist and very aroused. After about 8 to 10 minutes of attention from my

mouth tongue and two fingers she climaxed very strongly. On my previous visit we had enjoyed the experience so much, that I persisted beyond her orgasm, resisting her efforts to close her thighs beyond her moments of post orgasmic hyper sensitivity. The net result was that I induced a second incredibly strong second climax. Her vaginal contractions were so strong that it would not have been possible to withdraw my tightly clamped fingers had it not been so slippery in there. It goes without saying that we chose to repeat the experience, and with matching success. A nice session of OWO followed, then more passionate kisses and crotch grinding, before she slipped on a condom and primed me to penetrate her. She slid me inside her, with her in the missionary position. Because Nadia is only a couple of inches shorter than me, it is very easy for us to intensify our lovemaking with both our mouths and genital organs fully engaged. Over five minutes of absolute bliss reached its finale with an wonderfully sensational slow crossing of my threshold followed by an equally long and pleasurable ejaculation. It must have been a good three minutes after reaching my point of no return before I very reluctantly disengaged. She really fucks like she means it!

Apart from the attributes that Nadia has demonstrated on every visit that I have made to her, she is an articulate, sincere and intelligent young woman. She takes great pride in providing a service that makes you want to come back for more. If you are a punter who enjoys a GFE and believes that a pleasure shared is a pleasure doubled, then you should consider paying Nadia a visit.
