The Premises:

Susan's place is normally clean, never had a problem whenever I have previously visited...some lingerie laying around in the bedroom and some vibrators/porno mags but nothing much else. The area is safe, her front door is down the side of the house and in a slight porch way so nobody can see you entering which is good!

The Lady:

Susan is in her 40's I would say, red auburn hair, probably 5ft 8inch, quite a big bust which is very nice and she also has some piercings down below (these have to be seen)

The Story:

It was raining heavily and I arrived soaked, Susan allowed me to dry off whilst we chatted, I have been to see her many times before but this time was going to be different. Every previous visit to Susan has ended up with getting her lips around my cock straight away and giving me fantastic BBBJ until I come in her mouth, I had always been so fulfilled after that I always ended up paying and leaving. Just before she managed to get me in her mouth (and she loves to suck cock) I made her promise me that we would have full intercourse and we did!, after some great head to get me going, Susan put on a condom and rode me true!, first cowgirl front and back, then in a great sitting position and finally doggy style which was suprising tight!, I ended up coming like nothing ever before.

I always enjoy the time I spend with Susan, she is not the best looking working girl but that gets made up for in the service she provides!, we always have a good chat afterwards aswell!!!
