Young 20?s, striking indian girl from Birmingham. Slim sexy figure and a very nice face. Shes a very polite girl with an easy to get on with kind off attitude.

The Story:

I was in the area and I though I?d visit the place as I hadn?t been in a while and when I heard and given the description that Savita was working, I thought why not.

I arrived on time and was seen to almost right away. I was a little hesitant on if I wanted to stay for an hour as descriptions over the phone are almost all exaggerations, but after seeing Savita. I mind was already made up. We started of with her giving me a massage - we chatted away whilst she massaged me before we swapped and I let her rest and give her a massage which she seemed to appreciate. She gives a very good blow job, she teased and gives a very good service. All-in-all this was an enjoyable experience.
