The Story:

second time I have seen Zoe and this was better than the first (thats due to me not zoe). Nice back massage to start although I wish the girls would include the tops of the thighs. Then ased what I wanted and started tickling me in the right places. She kisses and cuddles then onto owo then some more kissing, reverse O then while I was knelt on the bed she wanked my cock with her feet which turned me on more than I expected. Back to more owo and CIM(no swallow). This young lady is excellent treat her well fellas she certainly enjoys what she does.
