The Premises:

As already reported by me and others, a very nice ground-floor flat in a quiet area just off Broad Street

The Lady:

Charlotte is a really super 30+ lady, with a very nice figure, wonderful personality, and lots of fun.

The Story:

I have known her for a good many years, in London as well as in Birmingham, and never tire of seeing her - although it is now not very convenient for me to come to Brum. She really makes you feel as if you are very special for her, and remembers all kinds of things which make you feel as if you were with a very good girl-friend!

She does all the things one would want, not only expertly and willingly, but really seems to enjoy it as much as you do!

It's worth every effort if in the area to go and see Charlotte.
