The Story:

Miranda was quite chatty, massaged me and asked if I wanted anything special, anal? toys? I said I'd never used toys before and she pulled out a small, gold vibrator (about 3 inches) and put a condom on it. Proceeded to lube my ass and apply the vibe which had me gasping. Pushed it in and had me roll over and gave me oral, with the vibrator still in my ass - an amazing sensation.

I asked for a break - didn't want to come too quickly. She decided to 'take advantage of the situation' and straddled my face with her beautiful, thick-lipped pussy which I ate enthusiastically. Turned round, on with condom and moved into reverse cowgirl, before turning to doggie. After a minute she moved my cock into her ass for a minute or so of anal before I came.

Amazingly good, dirty fun, can't wait for more.
