The Premises:

2nd floor flat in a house on a fairly quiet road....felt quite safe. Entry by buzzer. Flat was clean and tidy (I think shared with another girl). Her room was fairly small - but comfortable & with a good double bed.

The Lady:

A bit taller than many orientals - but very attractive - and as her pictures on the 2 or 3 agencies she is linked to.

Think she has had a baby - but her figure is in very good shape, and looks extremely good.

The Story:

Welcomed into the flat with a hug, and led to her room - where she immediately hugged and kissed me again.

Sorted the finances then offered a drink and a shower.

Justine keenly helped me undress - and onto a massage session - she was very good at that.

Moved smoothly into some excellent oral - before some petting from me....which moved to some vigorous sex in several positions.

Was hugged and kissed on my way out - thoroughly enjoyable time - well worth another visit.
