The Lady:

Asian, about 22, very curvaceous, large (DD) breasts, long dark hair attractive face - floats my boat

The Story:

5 girls on, picked Yasmin as I have a bit of a thing for asian girls and she was very sociable and chatty in the lounge. In the room gave me a price list, opted for oral and hand relief (?45), massage was included.

Excellent back massage, using all parts of her body (including elbows, more pleasant than it sounds). Over on to my back and again good massage, full body with those fantastic breasts wrapped round my cock. Proceeded to wank me off before putting on a condom (pity) and giving vigorous lip service. Didn't want it to stop but after a while asked her to whip off the condom and finish me by hand while massaging my balls.

Very satisfying, even without going for full sex. Yasmin offers other services for extra, including kissing, submissive and reverse oral. Might go back for the mild domination, don't think I'd mind being her sex slave for a while.

A memorable punt, thanks Yasmin, you're a real princess.
