The Lady:

All her details are on the website, but what you can't see....is how beautiful this young lady really is. Class and style.

The Story:

I have known Brooke for just on eighteen months, long before she was with Max's Angels and have done an overnight with her at my place in Leamington.

She is absolutely stunning, with a very nice manner and very accomodating. The loveliest, tiny little pink pussy that just cries out to be eaten....and I have done his many a time.

We played, sucked and fucked and played, sucked and fucked for two solid hours, in every concievable position. We have a little ritual that I won't go into now, but we both had at least three mind shattering orgasms and I just want to take this young lady away with me, forever.

Until next time, thanks once again Brooke for a wonderful time.
