The Premises:

What else can be said about Victoria House that hasn't already been written?! My first visit here and completely restored my faith in this punting lark..wonderful facilities, I just wish i had had more time to spend relaxing there.

The Lady:

Late 20s, wonderfully rounded and curvy body, truly magnificent boobs, twinkly eyes and a lovely down to earth, easy manner. Every inch a real woman to my mind.

The Story:

If Victoria House restored my faith in establishments, then Helen did the same for professional ladies. After loads of, at best, average visits to a variety of ladies I feel I struck gold here!! After a very good, firm massage (not just your average quick stroke of the fingers) I was feeling completely relaxed but ready to discover more of the lovely Helen's talents. What followed was a superbly sexy and fulfilling treat!! Varied positions, great oral, sexy eye contact, this was magnificent...and on top of it all those marvellous boobs!!!

All in all a great fun session with a lovely lady. According to the website Helen only works Sundays...I must ensure that I visit Victoria House again, but it will have to be a Sunday!! Lovely lady, treat her well.
