The Story:

Normal interchange to start with and all was quickly organised. So off with my kit and ready for action. She returned and set about my parts with some enthusiasm, 69 was very nice and she tasted great. She is not shy about where her hands go and she soon had me close. So shagging time was next first in doggy and got to her lean against the wall wearing her high heels and sticking her bum out. Knackered quite quickly so back to the bed for some basic mish with hands under her bum for max penetration. 30 secs was enough of that to finish me off. Nice girl, nice session well worth the money.
