The Lady:

Nikita was not what I expected, I recall a previous FR mentioning 'oriental', well she's nothing like that, more like a miniature version of Danielle and with most of the tricks. If you get on with Danielle you'll get on with Nikita, she has the same Brummy accent and the same attitude to sex.

The Story:

Paid for an hour in the VIP room but couldn't make it the second time even though we both tried hard - sorry gal. Nikita gave non stop commentary and was all I could have wished for in a punt. My tongue seemed to do the trick with her and she either did cum or gave a very good impression right down to the post orgasmic sleepiness.
