### The Story:

'Lady Marmalade' may be known to some as the former 'India' at other parties. She's now decided to do her own with Moss, and this was the launch. With so many parties these days, this was a refreshing change. Lovely apartment with three spacious play areas- two bedrooms on the top level while the basement had a large bed and the notorious 'love-swing', plus stairs leading up to an intermediate level with another bed. So, plenty of room for everyone! The food and drink was a cut above the usual fare, and Moss deserves a prize as the first to serve me wines I wouldn't mind drinking at home (eg Laurent-Perrier champagne and Penfolds bin 389).

Four ladies were attending: Lady Marmalade, Temmi, Michelle and Serene, all of whom are much more attractive than the pictures on the website. Serene proved to be very popular with her incredibly golden complexion. As the ratio of guys was approximately 2:1, I didn't feel rushed or having to wait in line. Highlights for me included pleasuring Lady Marmalade on the love-swing, a long bout with Michelle, and being expertly wanked off by Serene while she was riding another happy punter. Although the party was 4 hours, I could only stay for 2 and left in regret.

Two weeks later, I attended a daytime party. This time, it was Serene, Temmi and about 5 guys. Once again, a very nice atmosphere and I had energetic sessions with both girls. In between, everyone had chats about all kinds of topics while eating the food- all very friendly and civilized. London partygoers are spoilt for choice these days, but Lady M is a welcome addition. The girls are attractive and enthusiastic, the apartment is fantastic, the prices are reasonable, and ratios of guys to girls are kept low.
