### The Premises:

Discreet basement flat near tube station. The flat is immaculately presented with a superb range of outfits and other pieces of equipment. Was welcomed in by the maid and offered a drink.

### The Lady:

I would guess Kate is around her late 20's / early 30's. Long dark hair, very pretty with amazing long legs. To sum her up I would say this is one toned, tanned, sexy lady.

### The Story:

After deciding exactly what Kate was going to do with a naughty boy like myself, she left the room to change (although her lingerie was great). When she returned a couple of minutes later, I was gobsmacked at how sexy she looked in her leather. We started with me being tied up on the wooden cross, where she teased my cock and balls mercilessly before tying them up with her stocking. I will not go into too many details as it will spoil it for the rest of you that are lucky enough to meet this stunning lady. All I can say is that she was very much in charge, very teasing and at the end of it all, gave me explosive oral (with condom) followed by several positions in sex. I cannot thank Victoria enough (who is also stunning by the way) for recommending this lady. Any possibility of a threesome in the future girls?
