The Lady:

Absolutley stunning black girl, with huge breasts and a fit and firm body, dressed in black pvc hotpants, black pvc bra and knee length spike heel boots

The Story:

I called for details of the girls, and fancied a black girl. I msut admit that the decison was difficult as the other girl, a polish brunette was simply stunning, but i had to opt for what i came for a gorgeous and stunning black girl.

Evidently i was Lola`s first "man" of the day, and she seemed hungry for it gyrating her body into mine rubbing my nether regions with her body, and stciking her tongue down my throat and kissing my face off.

She was up for this and boy was I.

We frolicked fully clothed for a few minutes standing up, on the bed ,on the floor until we both stripped, the only clothes being worn were her boots.

What followed was horny sex of the highest quality, twice, only seperated by a quick 5 minutes in the jacuzzi.

I managed to cum twice, one less than Lola, who was really hungry for it all of the time.

To summarise I visited Lola again today, for some more fun and games, and boy was she pleased to see me again.

In fact i sacked the idea of the jacuzzi, so that I could spend more time in bed with Lola.

There is a saying that black girls have.

Once you have had black you dont go back.

Well i have to admit this is true, because she is one horny devil, and to see her gorgeous black flesh intermingled with my not so dark flesh in the full mirrors is one of the horniest sights i can remember.

LOLA I love you
