The Premises:

Very classy, place. Welcomed by Georgina who is superb. The rooms are unreal - complete with piped music DVD (if you want) and Jacuzzi and showers in all rooms

The Lady:

Absolute stunner, much more toned than the photos on web site show. (please retake these pictures they don't do her any justice) 5ft4 in height, very dark long hair with a very pretty face

The Story:

Started off with a relaxing jacuzzi with Joley washing me slowly. Onto the leather bed for a long relaxing sensual massage. She certainly can reach places no other woman has ever reached (ask her about touching the rear of the knees) mine are still shaking. Sex mmmmmmm wow. Treat this lady well and she will look after you, treat her badly and I will come and find you! (Joley big thanks and that for everything, nod nod wink wink)
