The Lady:

Amelia is a complete stunner - very slim and petite (can;t be more than a size 6) but with a gorgeous soft bum and very nice skin. Her smile and eyes are enchanting. She is at least 10 years older than she looks.

The Story:

I had a great time.

I think Amelia is quite new to this - and she insists on meeting for a drink first (so that she can vet you and you can vet her).

This was actually more nerve racking than I thought it would be - what a bummer if she had turned me down!

Fortunately she didn't and we went to my room. Amelia is very sensuous likes it very slow with lots of stroking and kissing and cuddling - great !

She also gives a great sensuous massage and brought her own massage oils with her.

I wish her all the best in her new career and hope to see her again soon.
