The Story:

I had a good time as we had oral & full sex.

I had to send 3 text messages to get Helen's phone No at

?1.50 per text. the 1st text i sent whas "Helen" as it says on the site then i got a text asking how old i am & my 1st name so i reply to it & got "Hi Helen here is that xxxx? thanx for txting me." about 10 min later i sent a reply asking for the phone No & i got a text back saying the phone No.

so i call her & make a booking to see her.

she told me that she dus not run the site & the cost is to cover the cost of runing the site & to stop timewasters.

when you get the phone No you can call her from ther on

(no need to text that No)
