The Lady:

I had not seen Victoria since December but she was still as young and as good looking

The Story:

Victoria is real rear find young had no kids good at oral and anal even more so for a man of my size (not many girls will give me anal) she still as fun and sexy as before
And as tight.

The change of agency has made my wallet fuller and Victoria seems to be a lot happier and confident in her work

I don't get to see escorts too often but Victoria is always top of my list
