The Premises:

Large flat above a flooring shop, just out of bagillt. Outside looks a little rundown, but after climbing the stairs the inside was really nice, nice bedroom, warm and porno videos to watch as you wait.

The Lady:

Slim, blonde lady, Late 30's. Quite leggy with smallish boobs. Quite pretty.

The Story:

Had been visiting north wales and decided on this on the return to relax. Rang the number and was told where the parlour was based.

When i entered the parlour I was shown through to the bedroom, the money was taken by the maid. After a short wait Lexi entered the room in red lingerie. After a brief massage (good), she explained that she had a selection of outfits, i opted for the french maid and was delighted when she reappeared in a p.v.c outfit, she looked very fit!! More stroking before she took my cock and wanked it quite hard, on with the rubber for covered oral, before we moved to chair in the room where she rode my cock until i shot my load in her tight shaved pussy.
