The Premises:

The Gallery is an excellent establishment. Very high-quality decor and large, comfortable rooms.

The Lady:

Jennifer is pretty and has beautiful breasts, but the pictures on the website, though stunning, are flattering. Look at pic number 6 for the truest reflection of her looks.

The Story:

I was tempted to try the Gallery by the simply stunning pics of Jennifer on the site. She looks like a lingerie model! This made me ignore the higher-than-average price (?80 for half an hour).

The premises are very smart and the girls all seemed friendly. Jennifer didn't look as good as on the pics, but was pretty and friendly.

The service was a bit sterile. Although she was chatty, the oral (with) and sex were mechanical. This might have been a personal issue, although I'm fairly non-demanding and easygoing.

Overall, the service is over-priced, but I would still be tempted by some of the other girls.
