The Story:

Lili visits roughly every month from Berlin, and takes a different Central London flat each time. Her English is very good. Made a booking via the website, but she apparently did not receive this, so worth sending an e-mail.

Set up a naughty schoolgirl scenario with her by e-mail, and she played the "script" beautifully. After sorting the financials she retired to the bedroom, where I was able to catch her out playing with a vibrator. A stern ticking off and spanking followed, during which she naughtily continued to finger both holes. Eventually she begged for mercy and, sitting on my lap, kissed me passionately and told me that she would do anything to stop me informing her mother. To demonstrate she was soon on her knees giving me deep OWO, with plenty of eye contact, and a filthy description of what she would like to do next.

Soon we were on the bed in deep 69, working the dildo in and out of her cunt and arse, while we licked and sucked each other. She certainly gets very wet if you know what you are doing.

Then on to her hands and knees, where I was able to feel these lovely big tits while sliding my (covered) cock in and out of her shaven pussy. Eventually was allowed to give her some anal treatment (?50 extra included above) before filling the balloon. CIM was available.

Finished with a kiss and cuddle(always nice) and a back massage to complete the hour.

Thoroughly recommended. Treat her well.
