### The Premises:

Her place.Nice location, extremly tidy and clean, perfect fot the meeting purpose.

### The Lady:

My vision of what an escort should be like.Sexy, immaculatly dressed, well manered and prefectly groomed.Like pics, horny looking, big brast,dark hair and olive, soft and warm skin complexion, superb toned legs.

### The Story:

I was a bit nervous when i arrived but Lulu put me right at ease with her soft and very sexy voice. Was shown the way to the bathroom, had a shower and when i returned she was lying on the bed wearing exquisite lingerie.Couldnt wait any longer and started undoing her bra, marvelling at her big tits and gently sucking on them.Removed her string, took a deep-breath , opened her gorgeous legs and nose dived in her equally good looking bald pussy. She tasted lovely and there was no way i would have stoped until her juices coated my face.I was in dire need of attention now, Lulu started gently caressing my body, brushing her heavy rack on my erection , licking my balls before finally wrapping a full fleshy lips around my cock.She treated me to a soft, sensual, long and deep master blow job, heavenly.Rubber on we had marvelous sex, mish, doggy, before she sat on my rock hard cock and rode me cowgirl with her tits on my face.This was too much, i asked her if i could cum in her mouth, she smiled, licked her lips and brought me to a terific climax, dribbling the content of my bloated balls on my stomach before bringing me a fresh towel. A trully classy lady delivering a performance to match her seriously sexy look, i am hooked.
