The Lady:

Beautiful petite blonde, about 20 but looked 18, long legs, lithe body and about 5'5 tall. Arrived dressed in a lovely short black skirt and top but covered up by an elegant coat. Looked very professional!

The Story:

Kim got changed into lovely white lingerie, with stockings - absolutely gorgeous!!

I won't go into details except to say that this is the best punt I've had in about a year and by far the best ever in the north west.

Have had some very poor experiences in the NW so was wary when Cheshire Companions website had no photos. Was also wary about the dozen odd good reports on punternet from one punter - was wondering whether he was genuine. And thanks to Jane, I found out that he was!!

Thank you Jane. Will definately be in touch soon. Think I will have find myself on business in the NW on a regular basis from now on.

Looking forward to having a longer appointment with Kimberley to test those toys she brought with her!

If you want the time of your lives, then spend some time with Kimberley.
