The Premises:

As usual the house was exceptionally clean and warm. In a quiet residential area of Telford quite safe. Easy directions given to new clients.

The Lady:

Helen is very fit, about 5'7", blond, with a very nice full curley hair style. very good looking with just the right amount of makeup and wearing a very plesent perfume. Firm large breasts pert nipples a smooth round bum and long shapley legs.

The Story:

Helen met me at the door clad in a tight blue/green bask top, tight short black skirt, black self supporting hose and high heels.

I was greeted with a warm hug and a kiss. As time was short Helen urged me up stairs where we disrobed, both our hands feeling and stroking and kissing each other.

I wont expand further on ths visit except to say it was much looked forward to and fulfilled all expectations. Helen gave me one of her photo CD's at the end of the visit.

A great visit with an exceptionally sexy, good looking and obliging lady.

You won't find better anywhere. Treat Helen with respect, she's worth it.
