The Premises:

basic flat above carphone warehouse opposite queensway underground. big room but not great. discreet at night. very public during day.

The Lady:

pretty blonde haired lady from brazil as in pics. great body and arse. wore sexy black leather skirt and top.

The Story:

average time. first things first, if u stop her talking then she is hot. as she is learning english she sometimes wants an english lesson. does oral with only with great technique, lookin into eyes. banged her in reverse cowgirl. great sight of bum! 2nd time asked me what i wanted and she would obey. nice touch. had body to body massage, oral, and few positions. good time with lovely friendly lady who knows how to please a man. personally prefer lady to take a little more control but will recommend for those who like to dominate.
