tall blonde, just as in the pictures. she has a fantastic body, curvy in all the right places though facially not so attractive.

The Story:

Edita has quite a few great FRs in this site, so this could be just me, or it may be that she is moody. she led me to her room, asked me if i wanted a shower to which i said yes. she then asks me to wait for her, disappears for 5 min to make the call to the agency, then gives me a towel and shows me the bath. after a shower i join her and she gives me an ok bj(covered, at my request). i tried to touch her, but she pulled away, and when i went down on her, she covered her pussy. then she rode me cowgirl and finished me off. she then disappears for another 5 min to chat to her friend. then she joined me again, gave me a massage for 2 min, i turned over, but she wasnt very keen on a second go. she tried for about 1 min, and then said, she didnt feel its going to work. now, i was put off from the beginning, and would have been surprised myself if it worked, but that just shows her attitude. she was friendly, i must say, she kept asking me if i was alright. i was really disappointed and was out in 40 min. altogether, a bad experience
