The Premises:

Nice flat in Kensington Olympia Area. Not the best I've seen, but very decent.

The Lady:

Nice, blonde, young, girl. Her English is not the best, but: do we need to talk so much?

The Story:

Not my first time with this agency (see my FR of Beata), and second time with this girl. Definitely has been the last with both of them! Nicole herself is just fantastic, we did everything with great passion. I really think that if you are nice with the girl? she`s gonna be nice with you (usually is like that!) she has been so nice that after the first hour I've called the agency to stay an hour more, the girl on the phone told me ?OK? so Nicole has took the money and disappeared for 5mim. And here Babylon Girls has lost a regular client? the same girl of the agency (the same one told me OK) has called me back to let me know that Nicole was fully booked for the night!!! So. I've got to leave, and quick, as well! That poor Nicole tried in any way to apologise; she`s so sweet! What I do not understand is: I am a client, a regular one, at least, be nice to me, and tell me ?sorry: she can?t?. Don?t tell me: you HAVE to leave ?after? you took the money and you told me ?OK?! Years and years of punting and I've never seen nothing like that!!! Anyway, I have left Nicole?s flat (recommended her to find another agency to work with) and? I've called another agency to book another girl for 2hours. Shame, because I've really enjoyed Nicole!
