The Story:

On my first visit to debbies I met kelly, who I fancied after viewing the web pictures, she is so fit and sexy, very passionate about her work at debbies. Kelly undressed me and invited me onto the bed whilst kissing me all over, this was the start of an amazing massage but as usual I could'nt keep my hands off and it was soon kelly being massaged! first her ample breasts whilst playing with her long sensual hair I could'nt resist kissing her all over and soon I was encouraged by her hand to her warm inviting shaved pussy which I tenderly kissed and licked until she got very horny she grabbed both my hands and placed them on her erect nipples which I squeezed she soon let out a big scream as she orgasmed. then it was my turn she rolled me over, and in seconds she had put a condom on my by now very hard manhood (via her mouth) and gave me an amazing BJ WOW!. I returned the following week for an amazing sex session, after she had orgasmed on top of me she laid back on the bed and wanked me so hard that a came all over her tits, with this she giggled and told me she had enjoyed it as much as had.

Can't wait for my next visit, kelly look out!
