### The Premises:

Conveniently located, 2 minues walk from Royal Oak LT Station. Pretty basic flat, but clean and cheerful. The area seems quite safe.

### The Lady:

Cindy has a lovely face and smile, is unusually tall and fair for a Thai girl (she comes from Chiang Mai, in the north), and is built to last. She is a far cry from the typical LBFM that many punters might envision.

### The Story:

This was an unusual punt. Cindy is reasonably well-educated, bright and surprisingly fluent in English, given that she clearly is a novice at this kind of work. She is full of enthusiasm and is very eager to please, though she is still learning the ropes and is a bit awkward. Although I rather prefer to be 'seduced', Cindy needs a bit of direction, and she takes it well. I had a very pleasant hour with her and I think she might make as good company for an evening out as for an evening in. It wasn't quite a GFE for me, though I suspect it might have turned into one for a younger man - a bit like dating a graduate student, perhaps, but one is a 'goer'. She is a really nice young woman, if that doesn't sound like damning with faint praise. I would love to read some passionate FRs on her from some other punters, in the future, and might go back to see her for an end-of-term celebration.
