The Premises:

Aquarius is well-known, safe, clean and easy to find and park

Apparently, it has been the subject of changes and now only appears to have 1 girl each day although this will be changed shortly.

The Lady:

Milana is tall, slim and arrived in the room wearing a black top and mini-skirt. This was removed to reveal gold bra and panties. A very pretty young lady and despite the description tells me she is just short of being 24 years old.

The Story:

She is Czech and although her English is not fluent we understood each other very well. She kisses like an angel and as we chose to forego the massage she lay on the top of me on the bed kissing and caressing each other for a long time.

Eventually, I moved down to the shaven area which has a little directional arrow of hair for those geographically challenged. Tasted delicious and we soon moved into 69 which was one of the best and finished (after warning her in case she didn't like CIM) over me.

She has that effect on you that you don't want to offend her in any way.

Thank you Milana and I hope you have a nice holiday at home. See you in the New Year and na shledanou.XXX
