### The Lady:

Melanie is a happy go lucky girl, 18 years of age with dark hair, slim good looking lady.

### The Story:

I'm a good looking bloke so i pray that when i book an escort she don't turn up looking like a back end of a goat.

I have used cheshire companions several times now and can say that they seem to be the only agency on line that seems to find all the babes out there.

Don't know how they do it but keep it up please.

If you are looking for a young fun person then look no further.

MELANIE is for you.
