The Premises:

A very pleasant home. Clean. Just a normal house. The house is on a corner, so none of the neighbours overlook. I parked in the lane just before her house.

The Lady:

A very attractive 40 something lady. Lovely figure. Her gorgeous body is only one aspect of the description. She carries herself in a real sexy, sensual way - makes you feel great and seems to really enjoy the job. Have a look on

Its not the most impressive web page, but it gives you a good idea :)

The Story:

this report is late as I'm only just back online..

I usually don't agree with people writing more than 1 report about the same person. However, bugger it! I've had 2 fantastic experiences!

As you enter the house Jan greets you with a few minutes of really sensual french kissing. Our hands started to roam and explore. She then led us upstairs - lots more kissing. We slowly undressed each other. I licked her out and started to suck her responsive nipples. Jan returned the favour and started to suck me off.

This is like a fantasy come true. Everyone knows someone who they wouldn't mind secretly getting 'close' to - a work colleague, mates wife, neighbour, etc. Seeing Jan is like one of these fantasies coming true. Your going into a gorgeous ladies home and being 'led astray'.
