The Lady:

Abbie..5ft3, size 12, blonde, 22 years old. Karen about 5ft8, size 12, not sure of her age, would guess early 30's. Both very easy going.

Very down to earth, and easy to chat to.

The Story:

Decided to book Abbiey again (have met her many times before), as she knows exactly what I like, and really makes an effort to provide it. I knew she also offered a 2 girl service, so went for that. Abbiey arrived with Karen. Have not met Karen before, but she was a very nice girl and like Abbiey, was ok with my requests.

I've met a lot of girls over the last few years, and Abbiey ranks up the top of my list.

Karen is also high on my list of favourites.

Anyway, an hour is too short really, but we did get to try out everything I wanted. Not going into detail..I never do.

Like it says on Abbie's website..she is up for anything, and Karen seems to be the same.

Hoping to book them both again soon. Highly recommended.
