### The Premises:

Karen's massage parlour situated on broom lane in Levenshulme, not the safest of areas, but no signs of trouble. The parlour is small and clean. Although the rooms are not very big, they are big enough.

### The Lady:

Young, slim, dark hair and very pretty. is very chatty and makes her clients feel instantly at ease.

### The Story:

Did not see Layla when I paid my ?40, as she was busy. Had not booked ahead, this visit was a spur of the moment thing. Went to my room & after a quick shower, was joined by Layla.

Was given a brief massage, but the conversation made up for it. She tickled my balls while I was still on my front. When I turned over she teased me with lots of licking of my balls and shaft.

After 10 mins or so, I went down on her. Which she seemed to enjoy. Complementing me on my tongue work.

Then, on with a Condom for some good sex with her on top. Using her hips to good effect to roll back and forth. Then after a while, I came with her still on top.

One downside, Layla had the misfortune to be down with a coldsore. She took care not to touch my penis with her mouth, so no harm done. A minor blemish on an otherwise stunning face.
