The Premises:

Nice clean apartment just outside the town centre, plenty of parking which makes a change from some of these places.

The Lady:

WOW!! what more can I say. Sam is exactly as she looks on her site and more. Long brown hair, genuine size 8, great natural tits and an arse to die for.

The Story:

Spoke to Sam previous to our meet. Requested that sam be dressed in a secretarial outfit. Was a little early for our appointment but not a problem. Sam greeted me at the door and I could feel myself rising already. This woman is something else! Was shown into a nice room and asked if I wanted a glass of wine, told to make myself comfortable until she returned. More like jump around the room! Won't go into details about the session as this lady deserves more respect than that, but lets just say it was a full GFE with a very passionate woman, who tastes like honey and knows how to please a man! Only one let down sam doesn't offer OWO but would still book again even if it is a 2hr journey. Thanks for a great time sam & you can be my secretary any time!
