### The Story:

Kate is a well spoken, chatty, intelligent and amusing lady. Which nearly fooled me into thinking that sex would be a bit bland, but this was soon dispelled once we started snogging and she had my cock in her hand.

On her knees in front of me as I sat on the sofa, she gave me some of the best oral (OWO) I've ever had (and I've had a lot). This involved lots of deep sucking and firm tongue on the bell-end. Kate sucks like she wants you to cum, rather than because its part of the deal (which suits me fine!).

After lots of this brilliant oral, we had sex in missionary and doggie, which was good but I wanted to return to the sucking. Off with the condom and Kate's mouth was back around my cock, sucking like a Dyson. As I neared climax, I jerked myself off, then just as I was cumming Kate bobbed her mouth over my end and took the full force of my spurting juice. A quick gulp and it was gone. Fantastic!

A great visit, with superb OWO and CIM.
