The Premises:

rather basic apartment in paddington, close to the tube station. neat and quite safe.

The Lady:

amy is tall and slim with a fabulous body, small tits with responsive nipples. her face is faded out in the pics, but she is very attractive.

The Story:

amy is a really sweet girl, someone you would like to have as a girlfriend. her kisses were deep and wet. she did a very arousing lapdance followed by a gentle but great bj, and then sex. afterwards we cuddled and chatted for a while, she is quite intelligent and nice to talk to. then for pop 2, pretty much along the same lines. she is not a clockwatcher, i finally left with a big smile. i think i am smitten.
