The Story:

I had known and enjoyed Lady M from previous parties, but this was the first time I'd been since she organized her own. It was an excellent start! Greeted as an old friend, I was given a tour of the very comfortable and well-appointed apartment ? towels, showers, condoms and a well-stocked bar and kitchen all come as standard. Four potential play-spaces give plenty of scope, even without Lady M?s favourite ? a leather play-swing in which she was thoroughly fucked first by Lucy?s strap-on and then by an iron-hard cock (not mine, but fun to watch).

But I get ahead of myself. The party was very select ? three girls and four guys (one of whom left early after being drained by Lucy and Sophia). Lady M is still building up her clientele, so there?s no crowd but plenty of action. The girls were all in ?naughty schoolgirl? costume, although the only pieces that stayed on throughout were their tasteful ties.

Lady M herself decided to initiate me in the comfort of her bed, but we were soon joined by the very juicy Lucy. I was pacing myself and required all the ladies to suck agreeably and at length on my cock and balls, and to allow me to taste in turn their three very succulent pussies, before eventually indulging in hot and very satisfying fucks with Lucy (mish), Sophia (doggy) and Lady M again (cowgirl - oh that brought back memories!). Sophia and I also pleased each other agreeably whilst Lucy fucked Lady M in the swing. In the pauses between the action, we enjoyed the comfort of very

stylish sofas and tasty refreshments, thanks to the ever-friendly Moss (Lady M's lord). Several rounds of two-girl action with the petite schoolgirls completed the evening.

Only regrets ? I didn't meet the delightful Serene, whom I had hoped for but had switched evenings. I called back the next day (purely social) and was introduced to her in the nicest way. I look forward to seeing more of her! ? Oh, and there just weren't enough guys to give the delectable Sophia the gang-bang which her young firm body invited. Maybe next time.

Recommendation ? yes, get there before the crowds and enjoy these genuine and enthusiastic ladies in style and comfort
